## INDEPENDENT AUDITOR'S REPORT

To the Trustees of the  
Jenks Aquarium Authority

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Jenks Aquarium Authority (the "Authority"), a component unit of the City of Jenks, Oklahoma, as of and for the year ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority, as of June 30, 2015 and 2014, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

*Other Matters*

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 7, 2015, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

*Arledge & Associates, P.C.*

December 7, 2015

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

*For the Fiscal Year Ended June 30, 2015*

*Unaudited*

### *Introduction*

The mission of the Oklahoma Aquarium is enriching the educational opportunities for our daily visitors while also benefiting the education, research and academic communities. Through our partnerships with the Oklahoma Aquarium Foundation, the Oklahoma Department of Wildlife Conservation (ODWC), the State Department of Education, private foundations, individual and corporate sponsors, we are able to provide a learning atmosphere that is full of wonder and mystery for children, as well as adults.

Additionally, leaders from these organizations are able to work cohesively on the identification and prioritization of programs; including but not limited to, the development of field research programs regarding aquatic animal and plant ecology, animal medicine, physiology, behavior, environment management and conservation studies. The educational and research facilities at the Oklahoma Aquarium are available to students and researchers of all levels of study as part of our mission to foster "Conservation through Education".

### *Overview of Financial Statements and Financial Analysis*

The financial statements of the Oklahoma Aquarium are presented for the fiscal years ended June 30, 2015 and 2014, respectively.

### *Statement of Net Position*

The Statement of Net Position presents assets, liabilities, and net position (assets minus liabilities) as of the end of the fiscal year. The purpose of the Statement of Net Position is to present a fiscal snapshot of the Aquarium. From the data presented, readers of the Statement of Net Position are able to determine the assets available to continue the operations of the Aquarium. They are also able to determine how much the Aquarium owes vendors and lending institutions. Finally, the Statement of Net Position shows the net position (assets minus liabilities) and their availability for expenditure by the Aquarium. Net position is divided into categories. Investment in capital assets, net of debt, provides the Aquarium's equity in property, plant and equipment owned by the Aquarium net of related debt. Unrestricted assets are available to the Aquarium for any lawful purpose.

**MANAGEMENT'S DISCUSSION AND ANALYSIS***For the Fiscal Year Ended June 30, 2015**Unaudited*Statement of Net Position

	6/30/15	6/30/14	As Restated 6/30/13
Current and other assets	\$ 7,361,723	\$ 5,318,188	\$ 6,878,766
Capital assets	13,233,425	13,503,309	13,691,421
Total assets	<u>20,595,148</u>	<u>18,821,497</u>	<u>20,570,187</u>
Deferred outflows	<u>1,021,154</u>	<u>1,074,899</u>	<u>927,070</u>
Long-term liabilities	17,915,000	17,915,000	19,680,940
Other liabilities	925,424	597,848	796,029
Total liabilities	<u>18,840,424</u>	<u>18,512,848</u>	<u>20,476,969</u>
Net position:			
Invested in capital assets, net of related debt	(3,660,421)	(3,336,792)	(5,989,519)
Restricted	1,272,588	358,842	2,461,627
Unrestricted	5,163,711	4,361,498	4,548,180
Total net position	<u>\$ 2,775,878</u>	<u>\$ 1,383,548</u>	<u>\$ 1,020,288</u>

The total assets and deferred outflows of the Aquarium have increased by \$1,719,906. Within this amount current assets increased \$2,043,535, deferred charges decreased by \$53,745 and capital assets decreased \$269,884. The major contributor to the asset increase was due to an increase in donations that haven't been spent yet. Total liabilities increased \$327,526. The major contributor to the liability increase was the increase in the interest payable at the end of the year. Increases in total assets and increases in total liabilities combine to create an increase in total net position of \$1,392,330.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

*For the Fiscal Year Ended June 30, 2015*

*Unaudited*

Statement of Revenues, Expenses, and Changes in Net Position

The Statement of Revenues, Expenses, and Changes in Net Position display the sources and uses of funds of the Aquarium during the fiscal year. This information must be looked at over a period of time to determine if the goals of the Aquarium are being met.

	6/30/15	6/30/14	As Restated 6/30/13
Operating revenues	\$ 4,160,018	\$ 4,085,975	\$ 4,404,674
Operating expenses:			
Salaries, wages and benefits	1,738,904	1,682,246	1,638,837
Other operating expenses	1,830,780	1,852,047	1,868,905
Depreciation	542,379	538,130	481,782
Total operating expenses	<u>4,112,063</u>	<u>4,072,423</u>	<u>3,989,524</u>
Operating income (loss)	<u>47,955</u>	<u>13,552</u>	<u>415,150</u>
Non-operating revenues (expenses):			
Interest revenue	4,606	34,458	36,087
Interest expense	(695,087)	(645,960)	(937,354)
Loan costs	-	(468,175)	(111,815)
Trustee fees	(16,875)	(7,500)	(7,500)
Grants and contributions	1,953,488	1,429,885	1,071,777
Total non-operating revenues (expenses)	<u>1,246,132</u>	<u>342,708</u>	<u>51,195</u>
Transfers in	<u>98,243</u>	<u>7,000</u>	<u>14,750</u>
Change in net position	1,392,330	363,260	481,095
Net position at beginning of year	1,383,548	1,020,288	539,193
Net position at end of year	\$ <u><u>2,775,878</u></u>	\$ <u><u>1,383,548</u></u>	\$ <u><u>1,020,288</u></u>

While the current and previous year comparisons are indicators of activity during the year under audit, it is important to look at some of the operating and non-operating categories over time. One of the important measures of an Aquarium's fiscal stability is how operating revenues compare to operating expenses. While public aquariums will normally not have an excess of operating revenues over operating expenses, it is important to understand the relationship of revenues to expenses over time. Operating revenue includes gate admissions and fees, catering, gift shop and other miscellaneous charges. Gate admissions and fees account for \$3,210,678 of the operating revenue. Although depreciation expense is considered an operating expense for GAAP purposes, if depreciation were excluded from the calculation of operating income (loss) the bottom line operating income would be adjusted to \$590,334.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
*For the Fiscal Year Ended June 30, 2015*  
*Unaudited*

Statement of Cash Flows

The Statement of Cash Flows presents detailed information about cash receipts and disbursements of the Aquarium during the year. The statement is divided into five parts.

	6/30/15	6/30/14	As Restated 6/30/13
Cash provided (used) by:			
Operating activities	\$ 714,233	\$ 779,895	\$ 952,567
Non-capital financing activities	2,051,731	1,436,885	1,086,527
Capital and related financing activities	(647,627)	(3,859,318)	(2,262,113)
Investing activities	301,040	32,090	360,820
Net increase (decrease) in cash & cash equivalents	2,419,377	(1,610,448)	137,801
Cash & cash equivalents at beginning of year	4,096,343	5,706,791	5,568,990
Cash & cash equivalents at end of year	\$ 6,515,720	\$ 4,096,343	\$ 5,706,791

The first section deals with operating cash flows and shows the net cash used by the operating activities of the Aquarium. The second section reflects cash flows from non-capital financing activities. This section reflects the cash received and spent for non-operating, non-investing, and non-capital financing purposes. The primary source of non-capital financing activities is from donations. The third section deals with cash flows from capital and related financing activities. This section deals with the cash used for the acquisition and construction of capital and related items. The fourth section reflects the cash flows from investing activities and shows the purchase, proceeds, and interest received from investing activities. The fifth section reconciles the net cash used to the operating income or loss reflected on the Statement of Revenues, Expenses, and Changes in Net Position.

The net increase in cash of \$2,419,377 during fiscal year 2015 is primarily attributable to the increase in operating activities, increase in contributions and no requirement to make a payment of principal on the new refunding bond issue.

## MANAGEMENT'S DISCUSSION AND ANALYSIS

*For the Fiscal Year Ended June 30, 2015*

*Unaudited*

### Operations Concerns and Anticipated Actions

The Oklahoma Aquarium has not realized anticipated growth post the 2008 Great Recession commensurate with local and State of Oklahoma economies, therefore, a revised marketing approach was initiated during this audit period. It is anticipated that the overall gate attendance will be flat or will grow slowly until the sea turtle exhibit and the re-work of the coral reef exhibit are in place. Therefore, it is imperative that costs be contained while at the same time expanding opportunities for new experiences for guests coming to the Aquarium and marketing such experiences more effectively. The incremental attendance charges implemented by the Jenks Aquarium Authority in FY 2014-2015 were critical to a balance of income and expenditures for the audit period.

No operating subsidy has been necessary as of this date, although the City of Jenks and its related entities do provide indirect costs to the Jenks Aquarium Authority operations, primarily in the areas of accounting and human resources support. Aquarium operating revenues have limited elasticity to be achieved from charges in the form of gate receipts. Therefore, in addition to growth in attendance, catering sales, and special programming sales, it is essential to expand revenue streams through research contracts and grants and other revenue enhancement components in support of future operating revenue requirements.

Small operation subsidies may be required from retained earnings (fund balance) over the next several years while the aforementioned endeavors yield improved financial results. Other cost containment measures such as relocation of the small animal holding facility to the Aquarium campus, the consolidation of small exhibits into larger presentations, and the retro-fitting of Aquarium HVAC to geo-thermal systems in phases continues.

The financial contributions by Tulsa County voters toward debt retirement costs are providing needed bridge debt financing. Tulsa County funds are no longer available after fiscal year 2016-2017 and therefore debt requirements will have to be subsidized by the beneficiary or one of its related entities and/or other sources. The beneficiary, the City of Jenks, acting through City Council has authorized by Resolution a dedicated revenue source from its related entity, the Jenks Public Works Authority, to provide the equivalent debt financing upon the expiration of the County funding.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

*For the Fiscal Year Ended June 30, 2015*

*Unaudited*

Finally, the Aquarium's long term debt impacts its ability to reinvest in capital facility maintenance and therefore physical replacement and maintenance is an on-going concern. However, the overall strategic planning for the Aquarium has focused on improvement regarding these issues. Both the Jenks Aquarium Authority and the Oklahoma Aquarium Foundation continue to work closely on capital improvements and effective debt management.

### *Economic Outlook*

The three core markets for the Oklahoma Aquarium are the Tulsa, Oklahoma metropolitan area, the Oklahoma City metropolitan area, and the Springdale/Bentonville, Arkansas metropolitan area. Other geographic markets include South and Southeast Kansas, Southwest Missouri, and North Central Texas. The Aquarium is attracting significant attendance from all of these areas, and it is anticipated that these markets offer substantial additional opportunities for revenue growth. The region enjoys relatively low unemployment compared to the Nation. Individual and family income growth is expected to remain flat to incremental in growth. This will translate into slow incremental growth for the Aquarium in the absence of dramatic benefits from marketing or other programming efforts. The Oklahoma Aquarium remains a major cultural, recreational, entertainment, and educational point of destination for the Tulsa metropolitan area, the state of Oklahoma, and the Northeast Oklahoma multi-state region. Greater market penetration should be feasible regardless of slow to moderate overall economic growth in these geographic areas.

### *Request for Information*

The financial report is designed to provide our citizens, customers, investors and creditors with a general overview of the Aquarium's finances. If you have questions about this report or need any additional information, contact Josh McCorkle, Finance Director, P.O. Box 2007, Jenks, OK 74037, or call 918-299-5883.

The accompanying notes are an integral part of the basic financial statements.

**JENKS AQUARIUM AUTHORITY**  
**Jenks, Oklahoma**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**June 30, 2015 and 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Reporting Entity**

The Jenks Aquarium Authority (the "Authority") is a public trust created under Oklahoma statutes. Its purpose is to finance, develop and operate the Oklahoma Aquarium. Four members of the City of Jenks' City Council and three members of the Oklahoma Aquarium Foundation serve as the governing body (the "Trustees") of the Authority. The Authority is a blended component unit of the City of Jenks, Oklahoma (the "City").

The financial statements of the Authority have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The significant accounting policies of the Authority are described below.

**B. Financial Statement Presentation**

The Authority's financial statements are presented in accordance with the requirements of GASB Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis – for State and Local Governments as amended*. These standards require the Authority is required to present a statement of net position classified between current and non-current assets and liabilities, a statement of revenues, expenses and changes in net position, with separate presentation for operating and non-operating revenues and expenses, and a statement of cash flows using the direct method.

**C. Basis of Accounting**

For financial reporting purposes, the Authority is considered a special-purpose government engaged only in business-type activities. Accordingly, the Authority's financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred. All significant intra-agency transactions have been eliminated.

**D. Assets, Liabilities, Deferred Outflows, and Net Position**

**1. Cash and Cash Equivalents**

For financial statement presentation and for purposes of the statement of cash flows, the Authority's cash and cash equivalents are considered to be cash on hand, demand deposits and certificates of deposit with a maturity date of three months or less.

**2. Investments**

Investments are reported at fair value using selected bases. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Investments that do not have an established market are reported at estimated fair value as estimated by a broker/dealer.

**3. Restricted Cash and Investments**

Certain proceeds of promissory notes, as well as certain resources set aside for their repayment, are classified as restricted assets on the statement of net position because their use is limited by applicable debt covenants. These assets are held in trust by the trustee banks and consist of cash and investments. Interest earnings are used to pay principal and interest on these promissory notes when due. The excess of restricted assets over liabilities payable from restricted assets is included as net position restricted for debt service.

**JENKS AQUARIUM AUTHORITY**  
**Jenks, Oklahoma**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**June 30, 2015 and 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**D. Assets, Liabilities, Deferred Outflows, and Net Position (Continued)**

**4. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**5. Capital Assets**

Capital assets are stated at cost and depreciated on a straight-line basis over the estimated useful lives of the respective assets. The Authority capitalizes items over \$1,000 and with a useful life over 1 year. The following estimated useful lives, in years, are used to compute depreciation:

<u>Description</u>	<u>Estimated Lives</u>
Buildings	10 - 40 years
Other improvements	5 - 40 years
Equipment and vehicles	3 - 10 years
Infrastructure	5 - 50 years

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related capital asset, as applicable.

**6. Compensated Absences**

Employees are granted vacation and sick leave based upon length of employment. In the event of termination, the employee is paid for accumulated vacation leave. Payment of sick leave is restricted to those with more than 60 days of accumulated benefits and is limited to a maximum of \$500. Vested or accumulated vacation leave that is expected to be liquidated with economic resources is reported as an expense and liability.

**7. Deferred Outflow/Inflow of Resources**

In addition to assets, the statement of financial position reports a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until then. The Authority only has one item that qualifies for reporting in this category. It is the deferred charge on refunding reported in the statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

**JENKS AQUARIUM AUTHORITY**  
**Jenks, Oklahoma**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**June 30, 2015 and 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**D. Assets, Liabilities, Deferred Outflows, and Net Position (Continued)**

**8. Net Position**

Net position represents the difference between assets, deferred outflows and liabilities. Net position invested in capital assets, net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvements of those assets. Net position is reported as restricted when there are limitations imposed on their use either through enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. When an expense is incurred that can be paid using either restricted or unrestricted resources, the Authority's policy is to first apply the expense towards restricted resources, and then towards unrestricted resources.

**2. DETAILED NOTES CONCERNING THE FUNDS**

**A. Deposits and Investments**

*Custodial Credit Risk*

Exposure to custodial credit risk related to deposits exists when the Authority holds deposits that are uninsured and uncollateralized; collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the Authority's name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the Authority holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the Authority's name. As of June 30, 2015 and 2014, the Authority was not exposed to custodial credit risk as defined above.

*Investment Interest Rate Risk*

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Authority has no formal investment interest rate risk policy. The Authority discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments.

*Concentration of Investment Credit Risk*

Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the Authority (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools and other pooled investments are excluded from this consideration. The Authority was not exposed to this risk as defined above.

**Jenks, Oklahoma**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**June 30, 2015 and 2014**

**2. DETAILED NOTES CONCERNING THE FUNDS (Continued)**

**C. Long-term Debt**

The Authority's long-term debt consisted of the following:

*Note payable* - The Authority issued a note payable with a bank for \$1,400,000. The note bears an interest rate of 4.0% and is due April 12, 2016. Aquarium revenues are pledged as collateral on this note. At June 30, 2015 and 2014, the remaining balance of the note is \$800,000.

*Jenks Aquarium Authority Revenue Bonds, Series 2004* - The Jenks Aquarium Authority Revenue Bonds, Series 2004 were issued in April 2004 to refund the Jenks Aquarium Authority Revenue Bonds, Series 2000 and to repay debt owed to the Jenks Public Works Authority through refunding Jenks Public Works Authority Revenue Bonds, Series 2003. The proceeds were also used to retire outstanding promissory notes between the Jenks Public Works Authority and the Jenks Aquarium Authority. The interest rates on the bonds vary from 1.50% to 5.25%. These bonds were refunded during fiscal year 2014.

*Jenks Aquarium Authority Revenue Bonds, Series 2014* - The Jenks Aquarium Authority Revenue Bonds, Series 2014 were issued in April 2014 for \$17,115,000, to refund the Jenks Aquarium Authority Revenue Bonds, Series 2004. The interest rates on the bonds vary from 3.2% to 4.0%, with final maturity July 2034. At June 30, 2015 and 2014, the remaining balance of the bonds is \$17,115,000.

The following is a summary of changes in long-term debt transactions of the Authority:

	Balance Outstanding 6/30/14	Additions	Deductions	Balance Outstanding 6/30/15	Current Portion 6/30/15
Notes payable	\$ 800,000	\$ -	\$ -	\$ 800,000	\$ 800,000
Revenue bonds payable	17,115,000	-	-	17,115,000	605,000
Total	<u>\$ 17,915,000</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,915,000</u>	<u>\$ 1,405,000</u>

	Balance Outstanding 6/30/13	Additions	Deductions	Balance Outstanding 6/30/14	Current Portion 6/30/14
Notes payable	\$ 800,000	\$ -	\$ -	\$ 800,000	\$ -
Revenue bonds payable	18,410,001	17,115,000	(18,410,001)	17,115,000	-
Total	<u>\$ 19,210,001</u>	<u>\$ 17,115,000</u>	<u>\$ (18,410,001)</u>	<u>\$ 17,915,000</u>	<u>\$ -</u>

**Jenks, Oklahoma**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**June 30, 2015 and 2014**

**2. DETAILED NOTES CONCERNING THE FUNDS (Continued)**

**C. Long-term Debt (Continued)**

The annual debt service requirements to maturity, including principal and interest, for long-term debt are as follows:

Year Ending June 30,	Principal	Interest	Total
2016	\$ 1,405,000	\$ 587,163	\$ 1,992,163
2017	665,000	543,263	1,208,263
2018	680,000	529,813	1,209,813
2019	690,000	516,113	1,206,113
2020	705,000	498,636	1,203,636
2021-2025	3,860,000	2,157,862	6,017,862
2026-2030	4,495,000	1,500,244	5,995,244
2031-2035	5,415,000	558,500	5,973,500
Total principal & interest	<u>\$ 17,915,000</u>	<u>\$ 6,891,594</u>	<u>\$ 24,806,594</u>

**D. Advanced Refunding**

In fiscal year 2014, the Authority issued \$17,115,000 series 2014 Revenue Bonds to advance refund \$17,975,000 of outstanding 2004 Revenue Bonds. The net proceeds of \$16,287,985 (after payment of \$468,175 of issuance costs, \$304,315 to a reserve account and \$54,527 to a sinking fund account) plus an additional \$2,340,896 of 2004 Series fund monies were used to purchase U.S. Government securities. Those securities were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments on the 2004 Series bonds. As a result, the 2004 Series bonds are considered to be defeased and the liability for those bonds has been removed from the statement of net position.

The advance refunding resulted in a difference between the reacquisition price and the net carrying amount of the old debt of \$1,074,899. This difference, reported in the accompanying financial statements as a deferred outflow, is being charged to operations through the year 2034 using the straight line method. The Authority completed the advance refunding to reduce its total debt service payments of the next 20 years by \$5,592,312 and to obtain an economic gain (the difference between the present value of the old and new debt service payments).

**E. Defeased Bonds Outstanding**

The Authority has, in substance, defeased an outstanding bond issue by placing deposits in irrevocable trusts (escrow accounts) for the purchase of U.S. government securities to pay the principal and interest on the refunded bond as it becomes due and payable. For financial reporting purposes, both the defeased bond outstanding and the escrowed securities have been excluded from the financial statements. At June 30, 2015 and 2014, the remaining outstanding balance for the defeased 2004 Revenue Bonds was \$17,525,000 and \$17,975,000, respectively.

**F. Pledge of Future Revenues**

The Authority has pledged revenues to repay \$1,400,000 of the promissory note payable. The total principal and interest payable for the remainder life of the note, as of June 30, 2015 and 2014 is \$831,200 and \$860,917, respectively. Debt service payments of \$29,717 and \$35,534 for fiscal years 2015 and 2014 were paid from the Authority's revenues.

**JENKS AQUARIUM AUTHORITY**  
**Jenks, Oklahoma**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**June 30, 2015 and 2014**

**3. OTHER INFORMATION**

**A. Risk Management**

The Authority is exposed to various risks of loss related to torts; theft of, damage to or destruction of assets; errors and omissions; injuries to employees and natural disasters. The Authority has commercial insurance coverage for all risks of loss, including workers' compensation and employee health and accident insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past fiscal years.

**B. Contingent Liabilities**

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

**C. Employee Retirement System and Plan**

**1. Defined contribution plan**

The Authority participates in a defined contribution plan under the City of Jenks administered by the ICMA Retirement Corporation. Plan provisions are established or amended by City Council resolution. The Authority is required to contribute 6.8 percent of annual covered payroll. Participants may make voluntary contributions to the plan. For the fiscal year ended June 30, 2015, 2014 and 2013, actual contributions by the Authority and plan participants were \$74,601, \$69,399 and \$66,829, respectively. The plan participants include all employees. Participants vest after one year of service and are entitled to 100 percent of vested contributions. The plan is a variable funding option plan where the contribution may be varied from year to year by the employer.

**4. CONTRIBUTIONS**

Tulsa County's campaign Vision 2025 provides sales tax for capital improvement and community enrichment within the county. The Authority is a beneficiary of Vision 2025, receiving payments of \$923,076 annually through fiscal year 2016; these payments are reported as contributions in the Authority's Statement of Revenue, Expenses and Changes in Net Position.

**5. FUTURE ACCOUNTING STANDARDS**

The GASB has issued several new accounting pronouncements, which will be effective in subsequent years. A description of the new accounting pronouncements, the fiscal year in which they are effective, and the Authority's consideration of the impact of these pronouncements are described below:

GASB Statement No. 72, *Fair Value Measurement and Application*. GASB Statement No. 72 was issued in February 2015, and addresses issues related to fair value measurements. This Statement provides guidance for determining a fair value to certain investments and disclosures related to all fair value measurements. The Statement is effective for financial statements for periods beginning after June 15, 2015. At this time the impact to the authority is unknown.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS*

To the Trustees of the  
Jenks Aquarium Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Jenks Aquarium Authority (the "Authority"), which is a component unit of the City of Jenks, Oklahoma, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated December 7, 2015.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Arledge & Associates, P.C.*

December 7, 2015
